Community is at the heart of everything we do.
Passionate about our High Street and our people.

A volunteer Committee keeps things ticking
and we would love to hear from you if you have
business or communication skills you'd
like to share.

Many independent bakeries have closed - we just
keep going but currently face big repair bills.

By buying a share in our
Community Benefit Society you can ensure that
our warm heart keeps beating.

Details on our website if you would like to help.

BAKING TASTY TREATS ON OUR HIGH STREET

We've won prizes for our pies, were nominated UK's best community business, been awarded a Scottish Land Fund grant to buy our shop and survived many challenges thanks to our loyal customers.

So now we own the premises and have a fantastic team behind us we think it's time to try some new ideas.

We couldn't wait to make our own recipe pie shells and fill them with beef slowly braised in red wine, spinach and tangy feta cheese or macaroni. We've reinvented the sausage roll with spicy chorizo stuffing.

Be tempted by our sweet treats - creamy vanilla slice, zingy lemon meringue, banoffie pie, fresh strawberry tarts. All made from scratch by our creative bakers.

Try our wide range of fabulous sourdough breads. They look good, taste good and we believe they do you good.
